

BUG 2 - Log in - There is no "Forgot password" option

Repro steps:

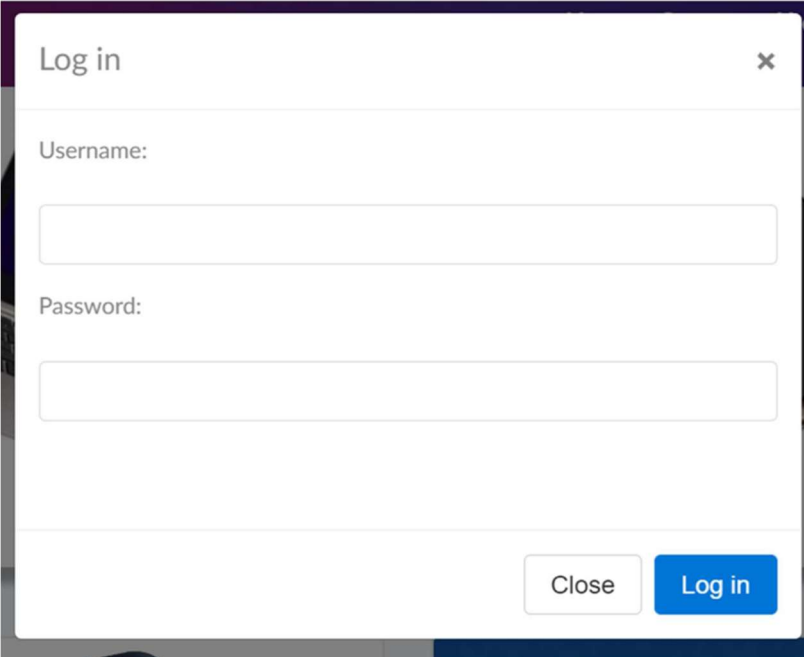

1. Open a Browser
2. Navigate to Store application by pasting following URL into address bar:
<https://www.demoblaze.com/index.html>
3. Click on "Sign in" option from navigation bar

Expected: User should be able to reset the password if forgotten.

Issue (Actual): There is no option for user to reset the password.

Priority: 1

Severity: 1-High
