

**BUG 11** – Order – It is unclear what the fields "Year" and "Month" on "Place Order" form represent and their format is not defined

**Repro steps:**

1. Open a Browser
2. Navigate to Store application by pasting following URL into address bar:  
<https://www.demoblaze.com/index.html>
3. Click on "Sign in" option from navigation bar
4. Enter username into "Username" field
5. Enter password into "Password" field
6. Click on "Sign in" button
7. From the main page select any product and add it to the Cart
8. Click on "Cart" option from navigation bar
9. Click on "Place order" button

Expected: All fields are clearly defined and properly named. The purpose and intent is clear

**Issue (Actual):** It is unclear what the fields "Year" and "Month" represent. It could be that they refer to year and month until credit card is valid, but also could represent month and year of desired delivery.

Priority: 2

Severity: 2-High

The screenshot shows a 'Place order' modal window. It contains the following fields and labels:

- Total: (label only)
- Name: (text input field)
- Country: (text input field)
- City: (text input field)
- Credit card: (text input field)
- Month: (text input field)
- Year: (text input field)

At the bottom right, there are two buttons: 'Close' and 'Purchase'.
