

BUG 4 - Sign up - After populating sign up form and closing it, fields remain populated and could be seen after clicking again on "Sign up" nav-bar option

Repro steps:

1. Open a Browser
2. Navigate to Store application by pasting following URL into address bar:
<https://www.demoblaze.com/index.html>
3. Click on "Sign up" option from navigation bar
4. Enter username into "Username" field
5. Enter password into "Password" field
6. Click on "Close" button
7. Click on "Sign up" option from navigation bar

Expected: Previously entered data is cleared

Issue (Actual): Fields remain populated even after closing Sign up form, which is security issue.

Priority: 1

Severity: 1-High
