BUG 12 – Contact – User is able to send empty message

Repro steps:

1. Open a Browser
2. Navigate to Store application by pasting following URL into address bar:
https://www.demoblaze.com/index.html
3. Click on "Sign in" option from navigation bar
4. Enter username into "Username" field
5. Enter password into "Password" field
6. Click on "Sign in" button
7. Click on the "Contact" nav-bar option
8. Click on "Send message" button

Expected: After user tries to send empty message, there should be modal popup displayed with the warning for the user. The message should not be sent.
Issue (Actual): User can successfully send empty message
